

# KVADRO-100 / KVADRO-125

Hidden ventilation diffusers for ceilings & walls

- ✓ Easy, fast, simple installation.
- ✓ Completely painted in the same color and paint as the ceilings/walls.
- ✓ Safely packed (never gets damaged during transportation).
- ✓ Dirt rings do not form around the diffusers.
- ✓ Suitable for single layer, double layer or custom thickness of plasterboard.
- ✓ Universal - suitable for both supply & exhaust.
